# 3

Challenge  
and change

‘What is your biggest  
L&D challenge in 2022?’

**Free text response**

1,397 answers (40%)  
16,827 words

# ‘What is your biggest L&D challenge in 2022?’

Budget and resources

Stakeholder enthusiasm / showing value

Going/staying hybrid

Implementation – tech/mindset

Engagement

# What is your biggest L&D challenge in 2022?

Money

People

Resources for  
the L&D  
department

“

Recruiting people with the skills and attitude to help us understand and implement new L&D Methodologies

we see many newcomers who have chosen a totally new profession

Getting data literacy right in L&D to not just manage but lead through data-informed decisions

Reskilling and upskilling my team

Scale of work to be delivered with restricted budgets

”

# What is your biggest L&D challenge in 2022?

Overwhelm

Screen fatigue

Engagement

Prioritization

Elearning apathy

“

All employees are really **overwhelmed** with tasks - to get their attention for learning ... requires a lot of energy

People are **exhausted**. How to still motivate them?

Engaging people in an increasingly **remote/hybrid workplace**.

screen **fatigue**

**Balance** L&D with business and rapidly changing environment.

Teams planning time for L&D with **competing priorities**

Covid has made everybody **sick and tired of webinars** and asynchronous learning

”

# What is your biggest L&D challenge in 2022?

F2F desire

Digital desire

Going/staying  
hybrid/digital

Covid reality

Hybrid balance

“

Breaking the **digital barrier** established by COVID.

That we will **revert to face-to-face** training "because it's more effective",

People seeing **value in digital options** for L&D beyond the emergency covid responses

The **collaboration** part between attendees online and the ones in the physical classroom

**replicating** FTF training

”

# What is your biggest L&D challenge in 2022?

Influence

Buy-in

Stakeholder  
enthusiasm

Showing  
value

Analytics

“

Showing L&D's value (not in monetary form) to business

Assessing ROI of learning measures/initiatives

Getting buy in from the business leaders

Connecting to the business OKRs.  
With building tools, infrastructure,  
mindset and implantation

Translating learning into action  
and measuring that impact.

”

EXPERIENCE

ByteDance had found that some company staff were unaware of what the Talent Development team does.

“Many learning events, such as online talks of mediocre quality with over 1000 people ... did not make very effective use of our employees’ time.”

# The L&D Journey to Influence

# 5

Conclusion

# Conclusions

- ◆ The overall results show what the world is thinking
- ◆ This year, watch: **Collaborative learning** and **Coaching/mentoring**
- ◆ **Skills-based talent management** has vast promise – can it deliver?
- ◆ Most L&D practitioners are focused on the ‘how’
- ◆ ... but there is enduring interest in the ‘why’
- ◆ Emerging from Covid-19, the ‘why’ is key to move to influence
